Initial Consultation Conflict Check Form

Prior to providing legal advice, we need to confirm that we do not, by chance, already happen to represent someone that you owe money to or might have a claim against you. If they exist, that does not mean we can't help you, but we do have to make sure it would be OK to do so.

Therefore, if you owe any money to any private person or you think a private person *might* have a claim against you (for example, a car accident that might have been your fault), please list them below.

Name	Their Current City, State	Type of Claim
John Smith <i>(Example)</i>	Vancouver WA	Car accident - 2010
Ed Jones <i>(Example)</i>	Battleground, WA	I borrowed \$5K, not repaid yet
Michelle Johnson <i>(Example)</i>	Camas, WA	Business matter
Ted Miller <i>(Example)</i>	Ridgefield, WA	Divorce Decree issues / debts
